Bobby Burns Understood It, "Many and sharp the numerous lile Inwoven in our frame,

More pointed still we make ourselves Regret, remoree and shame." Among the most dangerous, as well as vexing of ills 'inwoven with our frame." are Consumption, Asthma, Bronchitts, colds and inng troubles generally. However, the timely use of Dr. Pierce's Golden Medical Discovery takes away their fearful consequences, but, which neglected, leaves 'regret, remorse and shame." But you need not be ashaned to ask for the 'Discovery," as it has become a standard receedy, found at all the drug stores, where thousands call for it every day, and where it is recognized as the leading medicine for all lung and throat affections.

The District Court-Martial Continues

The court-martial of Surgeon Sidney A. Sumby of the District National while on duty and conduct unbecoming an officer, was continued last even ing an olicer, was continued last even-ing in the Centre Market building. The first witness, Lieutenant Charles R. Douglass, adjutant of the Eighth Bat-talion, testified as to the New York trip. Surgeon Sumby was very drunk, he said, and used profane language in the cars. He also resisted the guard that tried to place him under arrest.

The next witness, First Lieutenant J. F. Wilkinson of the Capital City Guards, who testified as to the Surgeon's drunkenness on the night of Sep-tember 28. He said that while the troops were marching past the Treasury Department a lieutenant had to lock arms with Sumby to prevent him from

Chaplain John Edward Purdy testified that Surgeon Sumby on the occa-sion charged was drunk, profane and indecent.

The surgeon attempted to interrupt the court and witnesses in his own be-half, but finally desisted and allowed his lawyer, W. Calvin Chase, to examine the witnesses. In answer to a ques-tion from the latter, Chaplain Purdy denied that he was turned out of the church for stealing. The court was adjourned until Monday evening at 7

Dr. Joseph T. O'Connor's lecture yesterday afternoon at the Catholic University, it being a continuation of his lectures on the same subject. The Doctor gave an historical review of the subject, and said the pseudo science of phrenology had never found extensive acceptance among medical men, but caused a reaction to the view of Flou-rens, that the brain acted only as a whole. The next lecture, on Wednes-day afternoon at 4:45 o'clock, will treat of the brain tracts and the connectio of the different parts of the brain with each other and with the periphery of the body.
